

Dear Parent / Carer,

Due to the government restrictions on the movement of all individuals due to coronavirus we are no longer able to provide your child with a free school meal. As an alternative we are therefore providing you with a supermarket voucher for Morrisons to cover the days when your child would normally receive a meal at school.

The details of your first voucher are provided below, together with instructions on what to do next. This voucher has a value of £18 to cover the period since the last free school meal was provided (24th March) through to 3rd April inclusive.

In order to access your digital voucher please follow the steps below.

Step 1: Please click on the internet link below
