**Key Information contained in this letter:**

- A-Level Results Day – Thursday 13 August 2020
- Family members will not have access the academy
- Arrive between 9am and 11am.

Dear Student,

**A-Level Results Day – Thursday 13 August 2020**

I am writing to confirm the arrangements for the collection of your A-Level examination results. Due to the current circumstances with Covid-19 we will continue to adhere to the government guidance and social distancing until further notice.

To limit the number of people we have on site at any one time, we will only be allowing Year 13 students on site to collect their results. This means that any family members will not have access the academy. It is also important to note that no family members or peers should congregate around the school entrance gates either. To collect your results you must arrive to the academy between 9am and 11am. When on site, all students will be expected to abide by the social distancing measures put in place. Students will need to join the queuing system in place until invited in to collect their results. Therefore, please be mindful of the weather as the good old British summer cannot always be relied upon.

There will be many familiar faces to welcome and support you. However, once your results have been collected, we will continue to keep the time spent on site to a minimum. We understand that some of you may need guidance regarding university choices, clearing and future plans. Therefore, you will need to speak with either myself, Kaye or Ian Doherty, our careers advisor, before you leave the site, to arrange a remote conversation.

We look forward to seeing you on results day,

Yours faithfully,

**Mr B Eley**  
**Head of Sixth Form**
